

## Websites and Online Resources for **Green** Workforce Development

Website	Purpose/Mission
<b>Department of Labor</b>	
<a href="http://www.doleta.gov">www.doleta.gov</a>	ETA's desktop for administrative news, tools, lists of ETA offices and programs, and grant information.
<a href="http://www.workforce3one.org">www.workforce3one.org</a>	DOL's central source for workforce development assistance and information.
<a href="http://www.americangreenjobs.net">www.americangreenjobs.net</a>	A DOL/ETA – EPA undertaking.
<b>Federal Agencies</b>	
<a href="http://www.eere.energy.gov">www.eere.energy.gov</a>	<b>DOE</b> Energy Efficiency and Renewable Energy Office – Main recipient of DOE ARRA funds
<a href="http://www.em.doe.gov/emrecovery/EMRecovery.aspx">www.em.doe.gov/emrecovery/EMRecovery.aspx</a>	<b>Environmental Management</b> – Clean up of former weapons complexes (soil, water)
<a href="http://www.oe.energy.gov">www.oe.energy.gov</a>	<b>Office of Electricity</b> – transmission and Smart Grid construction
<a href="http://www.hud.gov/recovery/nspg.cfm">www.hud.gov/recovery/nspg.cfm</a>	<b>HUD</b> – Neighborhood stabilization funding intent, weatherization and more
<a href="http://www.rurdev.usda.gov/rbs/energy.htm">www.rurdev.usda.gov/rbs/energy.htm</a>	<b>USDA</b> – Business programs, including ethanol
<a href="http://www.epa.gov/water/eparecovery">www.epa.gov/water/eparecovery</a>	<b>EPA</b> – Drinking and waste water treatment site for Recovery funds, the largest EPA ARRA share
<a href="http://www.energystar.gov">www.energystar.gov</a>	<b>EnergyStar program</b> – Joint effort of EPA and DOE, provides a label certifying energy savings and product quality, many energy efficiency tools, including a bulk purchase calculator.
<a href="http://www.defenselink.mil/recovery">www.defenselink.mil/recovery</a>	<b>Defense</b> – All recovery funding and programs described here, much of which is base restoration
<a href="http://www.dot.gov/recovery">www.dot.gov/recovery</a>	<b>Transportation</b> – Many program offices and administrations hold ARRA funding
<a href="http://www.nsf.gov/recovery">www.nsf.gov/recovery</a>	<b>National Science Foundation</b> – Most funds for research, but facility upgrades included
<a href="http://www.naseo.org">www.naseo.org</a>	<b>National Association of State Energy Officials</b> – Both public utility commissioners and consumer advocates, elected and appointed, in the US
<b>Public Private Partnerships - Workforce</b>	
<a href="http://www.ineap.nist.gov/ineap">www.ineap.nist.gov/ineap</a>	A coalition of people from federal (and some private and nonprofit) organizations whose focus is on -- <ul style="list-style-type: none"> <li>• Workforce Training Assistance</li> <li>• Business Management Assistance</li> <li>• Disaster Preparedness Assistance</li> <li>• Finance Assistance</li> <li>• Export Assistance</li> <li>• Technical and Technology Transfer Assistance</li> </ul>

	for American small business.
<a href="http://www.irecusa.org">www.irecusa.org</a>	Interstate Renewable Energy Council – training and accreditation for renewable energy skills
<a href="http://veteransgreenjobs.org">veteransgreenjobs.org</a>	Veterans Green Jobs program, sponsoring 2-month intensive and longer energy audit and weatherization training for returning vets
<a href="http://www.nabcep.org">www.nabcep.org</a>	North American Board of Certified Energy Practitioners – Provides certification for solar thermal and PV installers, and renewable energy professionals (supported by DOE)
<a href="http://www.ateec.org">www.ateec.org</a>	Advanced Technology Environmental Education Center – Joint effort for job training curricula and general education
<b>Non-Governmental Organizations, Including Trade Associations</b>	
<a href="http://www.ases.org">www.ases.org</a>	American Solar Energy Society – Solar power advocates, residential installers, professionals. Sponsors annual solar tour of homes nationwide.
<a href="http://www.seia.org">www.seia.org</a>	Solar Energy Industry Association – Trade association for solar thermal and photovoltaic manufacturers, installers, service providers and related industry members, internationally.
<a href="http://www.awea.org">www.awea.org</a>	American Wind Energy Association – Trade association for wind manufacturers, installers, and service providers, internationally.
<a href="http://www.greenforall.org">www.greenforall.org</a>	Non-profit advocacy for green employment targeted to low-income, disadvantaged, and urban communities, especially youth. Van Jones was the director before his recent White House appointment.
<a href="http://www.bluegreenalliance.org">www.bluegreenalliance.org</a>	Labor unions and environmental groups allied to create middle-class, skilled jobs for green economic transformation. Sierra Club, + 5 unions originally.
