

Tom's Report – Suggestions:

1. Add parameters for Location Level and Career Center to the report.
2. Show import of values for Career Center, using Career Center picklist report.
 - a) Run Career Center report.
 - b) Export to tab-separated text (ttx)
 - c) Remove “ using the replace function, and adding nothing in the replace area.
 - d) Save as “Career Center Picklist”.
 - e) In the parameter screen->actions->import picklist->select the text file.
 - f) Add an “All” option with value ‘000’.
3. Show other parameter settings.
4. Add the Career Center and Users_V01 tables.
5. Add parameter to record selection formula:

```
(
select {?Location Level}
case "Region" :
(
{CS_SERVICE_DELIVERY_AREAS.SERVICE_DELIVERY_AREA} = {?Region} or
{?Region} = "0"
)
case "Career Center" :
(
{CS_CAREER_CENTERS.CAREER_CENTER_ID} = {?Career Center} or
{?Career Center} = "000"
)
)
```

6. Change group selection to:

```
{CS_TRADE_WAIVERS.END_DATE} =
maximum({CS_TRADE_WAIVERS.END_DATE},{@NameSort}) and
{CS_TRADE_WAIVERS.END_DATE} < maximum({?Waiver End Range})+1
```
7. Add a formula for the Case Manager to place in users group. To alphabetize, place the formula in the detail section, insert a maximum on it, and go to report->group sort and choose maximum of { @CaseMgr} as the sort field.
8. Create a formula { @Location} and make it the highest order group:

```
if {?Location Level} = "Region" then
{CS_SERVICE_DELIVERY_AREAS.DESCRPTION} else
if {?Location Level} = "Career Center" then
{CS_CAREER_CENTERS.CAREER_CENTER_NAME}
```

9. Change color formula on detail section to:

if maximum({CS_TRADE_WAIVERS.END_DATE},{@NameSort})< datadate and
{CS_TRADE_WAIVERS.DETERMINATION_STATUS}=4252 then cryellow else
cnocolor

10. Add data date to report.

11. Change report title ({@display}) formula to:

“TRADE WAIVER REPORT - APPROVED WAIVERS” & chr(13)&
“With Expiration During the Period”&Chr(13)&
minimum({?Waiver End Range}) & ' to ' &
maximum({?Waiver End Range})
